

## Service Performance Contract

**Bellydancing by Shayna** agrees to provide the client with a belly dance performance for approximately 20-30 minutes of dance. During her performance, she will invite audience members to join her in dance. The dancer will include additional time for photos, if requested in advance. We assure you a professional and lively belly dance experience that will make your special event even more memorable.

**MUSIC:** We will provide authentic Arabic music for the performance in the form of a burned CD or Ipod, whichever is requested in advance. Client must provide a compatible sound system. If one is not available, please inform us in advance, so other arrangements may be made.

**COSTUMING:** The dancer/dancers will wear beautiful elaborately decorated top of the line authentic bellydance costumes that are handmade in the Middle East.

**TIPPING:** Tipping is not necessary, however, guests may feel free to show their appreciation in the traditional Middle Eastern way, by either "showering" her with money during her dance, or by handing it to her during or after the performance.

Thank you for inviting us to share this special event with you. We are looking forward to providing you and your guests with a magical performance.
